

## **Dr. Radha M S**

MVSc (Surgery & Radiology)  
Vet. Surgeon & Sp. Orthopedician

**Dr. Radha** is a compassionate and dedicated veterinarian with over **5+ years of clinical experience in surgical procedures, animal healthcare, and preventive medicine.** She is committed to delivering high-quality, empathetic care while fostering strong, trusting relationships with both pets and their parents.

She holds a Bachelor's and a **Master of Veterinary Science (M.V.Sc.) degree in Veterinary Surgery and Radiology** from Bangalore Veterinary College.

**Dr. Radha specializes in orthopedic surgeries, having successfully performed procedures on more than 100+ animals.** She has also assisted in numerous spinal surgeries and collaborated closely with renowned neurosurgeons.

Her surgical experience includes over **1,000+ routine procedures such as spays and neuters.** She is highly proficient in **soft tissue surgeries including exploratory laparotomies, C-sections, cystectomies, and ophthalmic surgeries.**

In addition to her surgical expertise, Dr. Radha has diagnosed and treated a wide variety of medical conditions in companion animals, including dogs, cats, and small exotics. She is adept at using advanced diagnostic tools such as radiography, C-arm, ultrasound, and laboratory testing to ensure accurate and timely diagnoses.

Dr. Radha is deeply committed to client education, regularly advising pet parents on nutrition, behavior, and preventive care strategies to improve their pets' overall well-being.

**She has served as the Head Veterinarian at more than 3+ leading multispecialty veterinary hospitals across the Bangalore region.**
